*Helping to Guide  
Your Family  
to a Brighter  
Financial Future*

**We serve individuals and businesses in all areas of financial management, including the following:**

#### **Retirement Planning**

Asset management — before and during retirement

#### **Investment Planning**

Investment vehicle recommendations — to help you reach, and potentially exceed, your financial goals

#### **Education Funding**

Investment and accumulation strategies — to help you pay for your children's/grandchildren's education

#### **Risk Management**

Appropriate insurance policies — as your situation changes

#### **Estate Planning**

Preservation — for your intended heirs

#### **Tax Management**

Burden reduction — currently and in the future

#### **Employee and Executive Benefits**

Benefit assessment — attract and retain qualified employees

At RCSFS, we help you work toward financial independence. We develop a roadmap to reach your goals — and improve your financial situation through education. Whether your goals involve building assets through investing, funding a child's college education, planning for a comfortable retirement or protecting your family in case of premature death or disability, RCSFS will help guide your family to a brighter financial future.

#### **Our tactical approach to financial planning includes:**

- Gathering data and analyzing your financial situation to develop a clear picture of your specific goals, assets, liabilities and risk tolerance
- Designing a financial strategy that takes into account the full range of needs you have now, and those needs you may have in the future
- Periodically reviewing your strategy, consulting with you to make appropriate adjustments and assisting you in keeping your strategy on track
